## 11 Top Reasons to join our Rotary Club

### 1) Fellowship

Our members enjoy having a wider group of friends in their lives.

### 2) Business Networking opportunities

Mix with other business people, not only in our Club, but Rotarians from other Clubs locally, nationally and internationally.

### 3) Guest Speakers

We have an amazing array of inspiring visitors speaking about what they're doing around our community and in business.

### 4) Speaking Opportunities

If you're in the workforce yourself, why not showcase what you do. Who knows where your next customer will come from.

### 5) Giving Back

Many Rotarians find life satisfaction giving something back to our community.

Fascinating range of guest speakers visit weekly. Stories of success, business innovation, courage and personal triumph 🌟

### 6) Volunteering / Community Service

Much satisfaction comes from having groups of people working projects together that leave lasting legacies.

### 7) Fun

The diversity of our Club's people, projects, meetings, guest speakers, fellowship days and interaction with other Rotarians from in Clubs generates FUN.

### 8) Professional Development

We build members' self confidence, business and leadership skills.

### 9) Retirement

A highly valued segment of our membership are retirees who didn't want to leave the workforce 'cold turkey'. Rotary allows for continued professional interaction in retirement, plus a structured social network to stay active and connected with society. A strong purpose in life!

### 10) International Friends - go travelling!

Walk into a room of friends anywhere in the world when you travel. 32,000+ clubs, spread across 200+ countries. 1.24 million friends.

### 11) Diversity

Our members are aged from their 20s to 90s. Women and Men. Working and Retired. From varying ethnic backgrounds. This diversity ensures our Club is RICH with personality and experiences. FUN

Sudan water project, providing fresh water to 6,000 people in eight villages. People walked hours morning and night to collect dirty water until new dams and filters provided clean water to the villagers, animals and crops. A four year \$125,000US Project by seven international Clubs 🌟

Supporting the Annual Secondary School Culinary Challenge. These students from Port Lincoln High competed in Adelaide during 2016 as part of an International competition. They won silver locally! 🌟

Fundraiser to support our long running (since 2010) food for the Homeless projects, now expanding to feed more people by supplying cooked meals from self access fridges 🌟

Rotary Youth Driver Awareness, training students in practical driving techniques to arrive safely 🌟
